**Dear Steve,**

**June 20, 2014**

**We wanted to express our sincere thanks to you and Keller Signs for the work you have done on our behalf. When we started this process of getting a new sign we had very exact requirements to what we wanted to have. We couldn't have the LED message centers because of Windcrests unfriendly codes, but we got the best sign possible thanks to you and your staff.**

**It has been a pleasure to work with your company and all of the people we had direct contact with need to know how pleased we are with what has been created for us.**

**This is the fulfillment of a special dream to have a really beautiful sign that is not only informative, but a work of art. It will stand for years to come and let our customers know we are a professional company, with high standards in all we do from our new sign to each sale from our store.**

**Thanks again,**
